

**Centrally Sponsored Scheme for development of infrastructure facilities for the Judiciary**

The State Governments are responsible for providing infrastructural facilities for the judiciary in the State. To augment the resources of the State Governments, a Centrally Sponsored Scheme for the development of infrastructure facilities for the judiciary is being implemented by the Department of Justice since 1993-94. The scheme includes construction of court buildings and residential accommodation for judicial officers/judges covering High Courts and Subordinate Courts. One of the main conditions of the scheme is that the State Government must provide matching share equivalent to the amount released by the Centre. However, the State Governments are free to spend additional amounts according to the resources available with them. The Central share is however restricted to the allocations made as per criterion laid down by the Planning Commission. Expenditure in respect of the Union territories is fully met by the Centre. The States and UTs have to provide Utilization Certificate within 12 months from the date of release of funds.

2. From 1993-94 upto 2006-07, an amount of Rs. 6906.44 lakhs was released to various States/UTs (Annexure 1). With the matching States' share, (Union Territories are not required to provide matching share) the States/UTs were required to spend an amount of Rs. 1381.29 lakhs on the basis of release up to 2006-07. Against this, the State Governments and UTs have reportedly spent an amount of Rs. 1442.59 lakh up to 30.6.2007 (Annexure 1).

3. Till March, 2006, 91 extension buildings in various High Courts have been completed and work on 17 extension buildings is in progress. About 125 judges' residences of various High Courts have been completed and work in respect of 175 residences is going on. As regards Subordinate Judiciary, 1037 District / Subordinate Court complexes have been completed and construction work on 986 District/Subordinate Court is in progress. As many as 2061 residential quarters for judicial officers have also been completed whereas work on 1410 residential quarters is in progress.
